

Mihajlo Kecic Reference Letter

July 2011

To whom it may concern;

Mihajlo Kecic aka Milo is a very good worker who has the ability to listen and adapt to the environment. Milo was employed to develop our website (www.iluvnz.co.nz) and help develop concepts for our 340,000 plus Facebook presence.

Milo was critical to the success of our project and when there were new areas that the team lacked capability e.g. Facebook integration Milo would put his hand up and simply get stuck into figuring out what needed to be done.

Milo is intelligent with a good awareness of markets needs and trends. We found that he integrated seamlessly into the team and was willing to do whatever it took to hit deadlines.

Milo is proactive as well. There was an occasion that we needed to work through the weekend to hit our deadline and without asking him to come in over the weekend he just volunteered. Milo is a real team player and somebody we would certainly hire again.

Milo is considerate, respectful and flexible and most of a delight to work with.

If you have any questions or want to discuss his tenure with me feel free to give me a call. Milo has my number.

Regards

Steve Graham
